Accordingly consolidated financial results for quarter and year ended 31st March 2020 are in compliance with IND AS and other accounting principles generally accepted in India. As per SEBI circular dated 05th July, 2016, which states IND AS compliant in the first year of implementation, IND AS compliance for previous comparable years is mandatory. Hence we have implemented IND AS during the first year and the results for comparative quarter ended 31st March 2020, are in accordance to IND AS.

2) The consolidated results for the Quarter and year ended 31st March, 2020 have been subject to audit by the auditors and are compiled by the management after exercising necessary due diligence to ensure a true and fair view of its affairs.

The Company has adopted the standard beginning April 1, 2019, using the modified retrospective approach for transition. Accordingly, the company has not restated the comparative information. This has resulted in recognizing (including reclassification from other assets) a "Right of Use assets" of and a corresponding "Lease Liability with no material adjustment to opening retained earnings as at April 1, 2019.

Consequently in the Statement of the profit and loss for the current year ended, the nature of expenses in respect of operating leases has changed from Rent / other operating expense to Depreciation for the right of use assets and finance cost for interest accrued on lease liability in respect of leases classified under Ind AS 116. As a result the rent / other operating expense, depreciation and finance cost for the current year ended is not comparable with previous year ended.
